

Building Trust in AI, One Video at a Time.

AI SECURE GLOBAL LTD is the global standard for mandatory disclosure of AI-generated videos.

Our Mission:

Protect the public. Restore trust in digital media. Make AI transparent.

Our Solution:

Every AI-generated video must display the AI SECURE® watermark - legally enforced and platform-compliant.

How to Get Involved:

- Governments: Adopt our model law.
- Platforms: Integrate AI detection tools.
- Creators: Certify your content and display the mark.
