

Trust Mark Usage Policy

To maintain public trust in AI-generated content, the AI SECURE(R) Trust Mark must only be used by certified creators, companies, or platforms who have passed an official AI SECURE GLOBAL LTD compliance audit.

You MAY:

- Use the AI SECURE(R) watermark on approved AI-generated videos.
- Use the mark in marketing if you are a certified partner.
- Link to the official AI SECURE GLOBAL LTD website.

You MAY NOT:

- Use the watermark without certification.
- Alter or fake the watermark.
- Use it in misleading ways or on non-AI content.

Violations will result in immediate revocation of certification and possible legal action.
